Dear Roy

PENTLAND FIRTH STAKEHOLDER ADVISORY GROUP

At the last DSG socio economic sub group meeting the Pentland Firth Stakeholder Advisory Group minutes held on the 18th June were tabled.

Members had previously raised concerns about another stakeholder group being set up and had expressed the view that stakeholder activity and reporting should be made via the Caithness & North Sutherland Regeneration Advisory Group.

At the same meeting Eann Sinclair noted that at the last CNSRP Advisory Board meeting members had looked favourably on a proposal from HIE that the Advisory Board also becomes the local stakeholder group for the Pentland Firth project.

The DSG endorses this course of action and looks forward to hearing that this proposal has been made and accepted.

Yours sincerely

Derrick Milnes

Socio economic sub group chairman
