Dear Mr Harrison

Your letter (DSG(2010)C032) dated 15th April refers.

Thank you for keeping us informed of personnel changes within Babcock International. We would like to take this opportunity to thank you for your input to the DSG in your various roles and latterly by continuing your interest in Caithness. We are pleased that your interest in Caithness will continue and hope that, via your new role, you may be able to identify opportunities which will benefit the Caithness economy in the future.

We note that your replacement is Roger Hardy and ask that you forward this letter to him with an invitation to meet with DSG members at Mr Hardy's earliest opportunity. It is important for Mr Hardy to understand the challenges and opportunities that the county will face over the coming years and we look forward to speaking with him.

We wish you every success for the future and look forward to your continued involvement.

Yours sincerely

*June Love*
