Dear Sir,
I am pleased to hear from you and to see that you are continuing to work with the DSG Secretariat on the DSG(2010)C035 project.

Dear Sir,

Re: NDA Site Decommissioning

As you know, the NDA is currently working on the development of the Site Decommissioning Strategy (SDS) which will be the main document that will guide the decommissioning of the site.

As part of this work, we are holding a series of stakeholder meetings to discuss the SDS and to ensure that the views of all interested parties are taken into account. The next meeting will be held on 27 May 2010 at 10.00am.

I am confident that we will be able to develop a SDS that will ensure a safe and successful decommissioning of the site. We will continue to work with you and the DSG Secretariat to ensure that the SDS reflects the views of all interested parties.

If you have any questions, please contact the DSG Secretariat on 01925 802014.

Yours faithfully,

Tony Fountain
