Background

The working group met to discuss the two legal documents which had been received and to agree on the timeline to take this forward to the point where a funding body was in place.

Legal documentation

Two legal documents had been drafted:

- Memorandum and Articles of Association of Caithness & North Sutherland Fund
- Operating Agreement

These documents are required to ensure appropriate governance arrangements are in place. Members were asked to review the documents and provide any comments or queries.

 All working group members to raise comments/issues relating to the two legal documents by 4th June 2010.

NB: Niall Smith had submitted comments on behalf of the Caithness Voluntary Group. It was agreed that if comments can be addressed via correspondence this would be done – if comments received were more substantial then a further meeting may need to be scheduled.

• Marie Mackay to draft a couple of paragraphs providing an explanation of how the two documents fit together.

Timeline of activities to establish a funding body

The timeline tabled (see appendix 1) was agreed. The following actions were placed:

Tidy up draft advert for funding body and circulate to members for final comment

• Information pack for potential candidates to be revisited and sanitised against legal requirements.

Short-listing and interviews

It was agreed that if there was a surplus of applicants the short-listing would be carried out by the DSG working group with DSRL/NDA.

It was also agreed that Bob Earnshaw would be the DSG representation, with Anne Chard deputising, on the interview panel. NDA and DSRL would be asked for representatives also.

- Anna MacConnell to identify NDA representative for shortlisting and interviews.
- Marie Mackay to identify DSRL representative for shortlisting and interviews.

Genera

It was agreed that the DSG chair would report progress at the DSG meeting on the 16th June.
