Dear Stuart

NATIONAL NUCLEAR ARCHIVES

Thank you for your recent correspondence and subsequent clarification on the progress of the project at the last Dounreay Stakeholder Group.

The correspondence from yourself and from Chief Executive Tony Fountain (letter sent to John Thurso, MP) both give assurances that the NDA is still committed to an archive in Caithness. For clarification can you please confirm that the commitment is to continue with the National Nuclear Archives.

In addition, we understand that the current work being carried out on your behalf by DSRL is due to be complete by 31st March. It would be useful if you could provide us with a programme of activity after the end of March to allow us to understand the potential timescales involved in taking this project forward.

I look forward to your response.

Yours sincerely
