Dear Deirdre

NEW LOW LEVEL WASTE FACILITIES

Following the recent Dounreay Stakeholder Group (DSG) Site Restoration Sub Group meeting on 20th July, it is clear that DSG members and Buldoe Residents have some questions on the New Low Level Waste Facilities project.

I have discussed this with Simon Middlemas and we are in agreement that a special meeting concentrating wholly on the NLLW Facilities would be beneficial to both parties. At this meeting DSRL will ensure the appropriate project staff is in attendance to bring us all up to speed on the project. We will also extend this invitation to David Mudie, Highland Council Planning to give us their perspective on planning and if appointed, the new Buldoe Liaison Group Independent Chair.

This meeting will take place in the Orange Room, Park Hotel on 8th September at 7.00pm and I would be grateful if you could contact June Love, DSG Secretariat on telephone number 01847 804612 to confirm who will be attending from Buldoe Residents Group by 26th August 2011.

Yours sincerely

Bob Earnshaw
DSG Chairman
