Dear Mr Kelly

### **THURSO HARBOUR PROJECT**

The Dounreay Stakeholder Group (DSG) is represented by over 20 organisations and therefore this response is one that is generally agreed by most organisations.

Having seen successful international competitions, ie O'Neill Surfing Championship, being staged in Caithness it is clear that having modern facilities would greatly enhance and encourage further competitions to our area.

Given there are a number of water sport competitions which has the potential to attract many visitors to the area and also benefit the local residents who have a keen interest in water sports the DSG would fully support your project moving forward.

We would like to take this opportunity to wish you every success with your proposal.

Yours sincerely
