Dear Jason and Andy

PRESENTATION ON DFR DECOMMISSIONING AT JUNE DOUNREAY STAKEHOLDER GROUP MEETING

I am writing to extend DSG thanks to you both for the presentation on DFR decommissioning you provided to us at the June public meeting.

We discussed your presentation at both the Socio Economic and Site Restoration sub groups held in July and all members agreed that the presentation you gave to us was very informative, interesting and pitched at the right level for our members who are essentially non-nuclear representatives.

Thank you both once again and we look forward to hearing about the continued progress at the reactors in due course.

Yours sincerely
