Dear Ms Donnelly

ONR strategy 2015-2020

The Dounreay Stakeholder Group (DSG) is represented by over 20 organisations and therefore this response is one that is generally agreed by most organisations. However, there are some organisations, who may not agree entirely with this submission and therefore these organisations have been encouraged to provide their own response.

DSG welcomes the opportunity to comment on ONR's strategy for 2015-2020 and notes that credit is due to the local site inspector, Peter Watson who attends DSG meetings regularly and is open, honest and transparent in his reporting and in responding to questions that are raised.

Having read the strategy DSG members found it to be an easy read with clear strategic themes. We believe that the three themes you have identified will allow ONR to deliver its vision.

While DSG members have no direct comments to make, they welcome this document and look forward to seeing this strategy being implemented.

Yours sincerely

David Flear
DSG Chairman
