DSG(2015)C025

"A review of the NDA contribution to socio economics in Caithness & North Sutherland" – overview of the report

Presentation to Dounreay Stakeholder Group
Nigel Lowe
NDA Head of Programme, Dounreay

18 March 2015

## What does the report say?

## Looks at:

- The influence of Dounreay on the economy
- How and what the NDA has contributed in 10 years
- Highlights some of the key projects supported by CNSRP
- Examines the methods used by NDA to gain maximum input
- · What will be additional going forward

ND/

## **NDA's contribution**

- Generic PBI for sites to create socio economic plan (2005)
- A partner of CNSRP since inception (2006)
- Over £13million funding for socio economic projects
- · Contractualising and incentivising socio economic activity
- · Other methods of bringing socio economic benefit
- · What happens next?
  - Education, retraining and skills development
  - Diversification of local economies into other sectors
  - Increasing attractiveness of areas near NDA sites as places to live, work and invest

## **Conclusions**

- NDA has been key to delivery of a number of significant development projects
- Over £13million granted and committed to socio economic projects
- NDA at Dounreay led the way in contractualising and incentivising socio economics
- · Resourceful approach to using assets
- · Potential for renewed focus on skills
- Increased focus on communicating success to generate community confidence
- Socio economic commitment continues
