Dear Maimie

NHS HIGHLAND – REVIEW AND REDESIGN OF ADULT SERVICES GROUPS

As DSG chairman I am writing to you on behalf of Dounreay Stakeholder Group to thank you for the information you sent to us on the groupings that make up the Review and Redesign of Adult Services. While we recognise the different groups and membership it would be useful to understand the attendance rate of those organisations/individuals that are meant to attend. We would request that you can provide this information to us. If attendance is poor it may be that you have to reconsider how you will engage on the various groupings.

The other topic we discussed at the DSG Business meeting was the NHS Highland representative on DSG. At present, this is Mike Flavell who does attend as and when his diary is available to do so. However, we would like to stress the importance of continuity and ask that you consider a deputy to attend DSG in times when Mike is not available to do so.

I would also like to place on record our thanks to the information you are now providing to us following our meeting with you in February.

I look forward to your response on the two issues outlined above.

Yours sincerely
