

DOUNREAY STAKEHOLDER GROUP

SUMMARY OF PUBLIC MEETING HELD 13TH SEPTEMBER 2017

-) Roger Saxon, DSG Chairman chaired the meeting and welcomed a number of new members, including:
 - Councillor Kirsteen Currie, Highland Council
 - Councillor Stephen Clackson, Orkney Islands Council
 - Gillian Coghill, Independent chair of Buldoo Residents Group
 - Councillor Malcolm Bell, Shetland Island Council (new member but did not attend mtg).

-) The minutes of the last meeting ([DSG\(2017\)M002](#), 14th June 2017) were approved.

Since the sub group meetings were held in July 2017, the following was reported:

Vulcan

-) No major changes from the sub group report.
-) The site's safety record continued to be positive with no lost time accidents during 2017.
-) No environmental non-compliances had been reported.

NDA

-) Nucleus (nuclear archive) had been shortlisted (one of five) in the Architectural Journal for building of the year.

-) A new Commercial Director, Kate Ellis and General Counsel, Neil Hewlett had recently been appointed by the NDA.

-) One member of the NDA team had participated in the recruitment of a new Caithness & North Sutherland Fund Director.

-) NDA had also announced a PhD research proposal relevant to decommissioning, land quality or
n² ² ² < ²

- Eleven of Dounreay's apprentices were awarded with their indentures. Ten of them have secured employment on site while the 11th has decided to pursue a career outwith the area.

) The pre-planning consultation for the Dounreay decommissioning phase 3 has now closed. Feedback has been received and is being considered by the project team. A response to the feedback will be provided at the DSG sub group meetings and published on the Dounreay website at end Sept/beg October.

ONR

-) Site inspections continued with training and supervision competencies being reviewed.
-) ONR continues to follow up on the DFR Breeder Removal project responding to project content.

SEPA

-) As a follow up to the work to top off the grouting of low level waste containers had now been completed with the authorisation now returning to full compliance.

CNC

-) CNC were also providing support to Police Scotland with traffic calming measures on the A886.
