

Interim End State Dounreay Update

05 September 2018

Guidance on Requirements for Release from Radiological Substances Regulation (GRR)

**Cavendish
Dounreay
Partnership**
A partnership between
Cavendish Nuclear (CDN) and
Dounreay (D)

**Cavendish
Dounreay
Partnership**
A partnership between
Cavendish Nuclear (CDN) and
Dounreay (D)

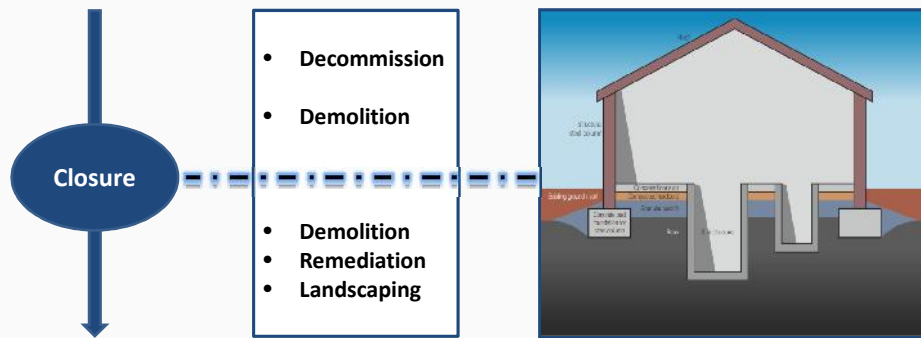

Areas of Potential Focus

Developing 3D Model of Dounreay Substructures

Early site engagement

-> Better integration between Decommissioning Projects and End State Projects.
 -> Site information booklet and presentations on GRR aim to tackle this issue.
