Dear Sandy

DEVELOPMENT OF THE PIER, SCRABSTER HARBOUR

I am writing on behalf of the Downreay Stakeholder Group to support your efforts to redevelop the pier at Scrabster Harbour.

We note that this is one of the priority projects on the Caithness and North Sutherland Regeneration Partnership (CNSRP) and therefore has been evaluated as one of the priority projects which will create economic benefits, including jobs to the area.

We continue to see the value of investment to the harbour as one project which supports the diversification from nuclear.

We wish you luck in taking this project forward and look forward to hearing how this is progressing.

Yours sincerely
