

## Vulcan Market Engagement Day

### Dounreay Stakeholder Group

#### Who we are

- Established and funded by the Nuclear Decommissioning Authority (NDA)
- Over 20 organisations involved in membership ranging from political representatives (local Councillors), Chamber of Commerce, Regeneration Partnership, community councils and co-opted members of the public.
- Independent chair
- Groups set the agenda
- Remit – to provide scrutiny on behalf of the public (focus on site restoration and socio economics).

1

## Vulcan Market Engagement Day

#### Structure of the group:

- Quarterly meetings (Site restoration/socio economic sub groups).
- Quarterly public meetings
- Work closely with site, regulators and staff to scrutinise decommissioning outcomes.
- Formal proceedings but co-operative working outside these forums.

2

## Vulcan Market Engagement Day

### Why are we interested in Vulcan market engagement?

- MOD/Vulcan also part of DSG remit
- Interested in the future plans for the Vulcan site
- Want to see maximum benefit for our local supply chain
  - Local capability available for Tier 2 and 3 contracts
- Will be encouraging winning bidder to work with DSG and other community organisations for the long-term.
