

NDA UPDATE TO DSG, November 2020

- A fuller briefing from across the NDA estate will be issued in December.
- **Dounreay Transition** is progressing as per plan. Due diligence has commenced and recruitment of leadership team progressing as scheduled.
- **NDA Draft Strategy 4:** Consultation period closed on 8th November. There was a number of good responses. A virtual event was also organised to discuss aspects of the strategy. The feedback is currently being assessed and the Strategy will be updated.
- **Scottish Councils Committee on Radioactive Substances (SCCORS):** David Wallace, NDA Stakeholder Relations (Scotland) met with representatives from SCCORS recently. SCCORS plan is to hold an engagement session sometime in January 2021. The Terms of Reference are being reviewed by NDA and SCCORS membership.
- **NDA Chair/NDA CEO virtual visit to Dounreay:** Ros Rivaz (Chair) and Davie Peattie (CEO) undertook a virtual visit to the Dounreay site during October. A series of staff briefing sessions took place. In addition the DSG Chair/vice-chair met (virtually) as well as Davie Peattie attending the DSG to provide an NDA update and respond to questions raised. Since the visit, positive responses have been received.
