Dear Trudy and Struan,

I am writing with good news regarding the trial at Georgemas. The Business Development team have identified a week the trial can take place – the week commencing 25 January 2021.

The exact date is still to be determined but I wanted to take this opportunity to update you on our plans for the trial.

The trial will consist of two intermodal containers being loaded and unloaded demonstrating the versatility offered by the terminal and showcasing its potential.

My Communications team will arrange for the trial to be streamed and recorded and we will invite people to watch the trial from the safety of their homes to ensure they are at no risk from Covid-19.

We will then use the footage to help promote the terminal in the hope to attract commercial clients for rail freight services in Caithness.

If you have any comments or questions please do not hesitate to get in touch.

Yours sincerely,

Chris Connelly, Managing Director
