Mr P Cartwright
Community Sports Hub, Chair

Dear Phil

COMMUNITY SPORTS HUB

I am writing to you, on behalf of the Dounreay Stakeholder Group, to request an update on the Community Sports Hub.

As you know, the hub has been an area of interest within the Dounreay Stakeholder Group for some time, given the community impact such a facility would have and the proposed placement on NDA property at Viewfirth. We are of the opinion that with the increased awareness of mental health and wellbeing, brought about in part because of the Coronavirus crises, the Community Sports Hub now presents an even more valuable opportunity for the community than ever before.

I would welcome your thoughts, as chair of the Community Sports Hub, as to where the project currently is and as to the next steps required to take the project forward. We understand that there is widespread volunteer fatigue within the communities to dedicate the time and resources to taking projects forward and that Covid-19 has created a range of roadblocks that would have been unforeseen. As such, we would very much welcome an update from you.

We have a public meeting on the 24th March and it would be greatly appreciated if you could provide some sort of response before that date.

I look forward to hearing from you.

Warmest regards
