## Social Value Model

- The Social Value Model has been launched by Central Government to take account of the additional social benefits that can be achieved in the delivery of its contracts.
- During the competition, suppliers will be asked to describe their commitments to deliver selected Outcomes and Award Criteria which will carry a minimum of 10% weighting in the bid assessment.
- Suppliers will be awarded scores for suitable evidence provided against the following Themes and Outcomes, which align to Government priorities.
- Following contract award, delivery of the agreed additional social benefits will be measured as part of the contract.
