Mr David Wallace  
NDA Stakeholder Lead - Scotland

Dear Dave

### **DSG SOCIO ECONOMIC SUB GROUP MEETINGS**

As you are aware we held our DSG socio economic sub group on 20 October.

First of all we were disappointed that you were not able to attend and we understand that diaries can be busy but our dates are set well in advance and we would appreciate if you could attempt to attend these meetings as it makes it much easier for us to consider progress being made or discuss any issues with you in this forum. We would also wish to request that you provide a written update to each of the sub group meetings from now on regardless of whether you can attend or not. A written update is useful for DSG members to understand what is going on in NDA Corporate especially with your role as lead for Scotland.

On a related topic, we discussed progress of the DSG actions and note that the action assigned to you to provide a diagram of the NDA Board is now late given it was expected it could be made available by the end of September/beginning of October. I would be grateful if you could make progress on this and provide a response prior to the public meeting in December 2021.

I look forward to hearing from you and receiving confirmation you will attempt to join our socio economic sub group meetings in the future and to provide timely closure of actions placed on you by way of clarifying NDA's position.

Yours sincerely
