Dear Maree

Thank you for your response to our letter in relation to your comments on the local press regarding nuclear.

We would very much welcome a meeting with you and would find it of value if we could meet in person. While this would be a meeting to which all DSG members would be invited it would not be open to the general public or press. We would, however, in the interests of transparency ensure there was a note for the record of our discussion.

Your offer to invite other Ministerial colleagues to meet with us is welcome and we would very much like to take you up on this offer but ask that we do this following a discussion with you as our MSP.

Given we will hold this meeting outside our normal scheduled meetings we would be flexible with dates so that you can perhaps combine a meeting with us with other activities you may have in the area.

Can I ask that you provide us with a couple of alternative dates/times that would suit you and we will then go out to the membership to find the most appropriate date for the majority of our members.

We look forward to meeting in the near future.

Yours sincerely
